Task Overview (105 total minutes):

Title: Starting Your Own Vegetable Garden

Part 1 (35 minutes):

Before writing and delivering an opinion speech, students will be introduced to the topic through watching a short video, reading one informative text, taking notes on these sources. They will then respond to several questions addressing the research skills of analyzing and evaluating information.

Part 2 (70 minutes):

Finally, students will work individually to compose and orally deliver a short speech about the vegetable presented in the article that will grow best in the area where they live, referring to details from the video or the text. Students will present the speech aloud. Students may also present supplemental materials they create to enhance their presentation.

Scorable Products: Student responses to the research questions and the speech will be scored.

Teacher preparation / Resource requirements

The teacher should ensure that sufficient blank paper and writing utensils are available for student note taking. Teacher should conduct standard preparation, registration, etc., for computer based testing. The testing software will include access to spell check.

Teacher Directions:

Students are given the text, research, and any additional information about the speech.

Part 1 (35 minutes)

- Initiate the online testing session.
- Alert the students when 15 minutes have elapsed.
- Alert the students when there are 5 minutes remaining in the part 1.

Stretch Break**Part 2 (70 minutes)**

- Initiate the testing part 2.
- Allow students to access the sources and their answers to the constructed response questions presented in part 1. They will not be allowed to change their answers.
- Alert the students when 20 minutes have elapsed.
- After students have been working for 60 minutes, alert them that there are 10 minutes left.
- Close the testing session.
- Direct students to deliver their presentations.

Pre-Task Activity:

There are no specific pre-task activities to be conducted.

Time Requirements:

The Performance Task will take 105 minutes in one session.

Student Directions:

Part 1 (35 minutes)

Your assignment:

You will watch a video and read one article, taking notes on these sources and answering three questions about the sources. You will then prepare and deliver an oral presentation about which vegetable you would chose to grow in your garden.

Steps you will be following:

In order to plan, compose, and give your speech, you will do all of the following:

- 1) Watch the video and then read one article.
- 2) Answer three questions about the sources.
- 3) Plan and deliver your presentation.

Directions for beginning:

You will now watch a video and read one article. Take notes because you may want to refer back to your notes while writing your essay. You can refer back to any of the sources as often as you like.

(video 1)

(article 1)

Questions

Use your remaining time to answer the questions below. Your answers to these questions will be scored. Also, they will help you think about the sources you've read and viewed, which

should help you write your presentation. You may click on the appropriate buttons to refer back to the sources when you think it would be helpful. You may also refer to your notes. Answer the questions in the spaces provided below them.

1. What is one detail about growing vegetables that appears in both the video and the article?
2. Which ideas from the video and the article are things gardeners should consider when planning which vegetables to grow? Select as many as apply.
 - A. space available to grow vegetables
 - B. number of seeds available per plant
 - C. climate where the garden will be grown
 - D. history of the vegetables that will grow
 - E. the amount of sunlight the plant will get
 - F. whether the seeds will be planted indoors or outdoors
 - G. whether other people like to eat vegetables
3. Read this statement: "Vegetables are the building blocks for a healthful diet." Do you agree with this statement? Explain your answer using evidence from the video or the text to support your opinion.

Part 2 (70 minutes)

You will now have 70 minutes to review your notes and sources, plan, draft, and deliver your speech. While you may use your notes and refer to the sources, you must work on your own. You may also refer to the answers you wrote to earlier questions, but you cannot change those answers. Now read your assignment and the information about how your speech will be scored, and then begin your work.

Your assignment:

You have watched one short video and read one informational article about growing a vegetable garden. Consider what is needed in order to grow vegetables successfully. Now, choose one of the vegetables from the article and prepare a speech about which one would grow best where you live. You will write a draft of a speech and create any supplementary materials you may need for your presentation. Support your opinion with details from the sources you have read and viewed.

How your speech will be scored: The people scoring your speech will be assigning scores for

- 1. Focus**—*how well your speech clearly introduces and communicates your ideas*
- 2. Organization** – how well your ideas flow from the opening to the conclusion and how well you stay on topic throughout the speech
- 3. Elaboration of Evidence** – how well you use sources, facts, and details as evidence
- 4. Language and Vocabulary** – how well you effectively express ideas using precise language that is appropriate for your audience and purpose
- 5. Presentation** – how well your speech is presented, including eye contact, pronunciation, and awareness of audience and the use of visual/graphics/audio enhancements appropriate to your message

Now begin work on your speech. Manage your time carefully so that you can:

- plan your speech
- write your speech
- present your speech

Word-processing tools are available to you.
